

CRYB DRESS CODE POLICIES

Please note that beginning with the Fall 2014 semester Dress Code requirements will be strictly enforced by all staff for all classes and rehearsals. Every student and parent will be asked to sign a dress code policy form.

Coming to class dressed in your appropriate class dress is an important part of preparing yourself for class. When you take the time to respect the dress code, you are setting yourself up for success in class and you are showing your class, your teacher, and the discipline of dance respect.

Students not complying with the dress code will be asked to sit out the class. There will be no refund.

Absolutely no watches or jewelry in class with the exception of small secure earrings.

Student and Parent must sign and return this form to the studio with Registration Form.

I am aware of the Dress Code Requirements and Policies for the Chautauqua Regional Youth Ballet.

I understand that any student not adhering to the dress code may not be allowed to take class and that there will be no refund for the class.
