

CRYB Nutcracker 2016 Absence Form

Dancers are allowed only two absences of the regularly scheduled weekly rehearsals. CRYB must be notified of any absence 2 weeks prior to the absence or as soon as possible in the case of an emergency.

If a dancer has circumstances beyond their control and may require another absence it will be evaluated on an individual basis by the Director and may or may not be excused.

No absences what so ever will be permitted December 5 - 10.

Any unexcused absences may result in dismissal from the Production, at the discretion of the Director. The decision as to whether or not an absence shall be considered excused or unexcused shall be solely at the discretion of the Artistic Director.
