

DRESS CODE

Dress Code requirements will be strictly enforced by all staff for all classes and rehearsals.

Coming to class dressed in your appropriate class dress is an important part of preparing yourself for class. When you take the time to respect the dress code, you are setting yourself up for success in class and you are showing your class, your teacher, and the discipline of dance respect.

Students not complying with the dress code may be asked to sit out the class. There will be no refund.

WARM-UPS

Absolutely no street wear (such as t-shirts, sweatshirts and gym shorts) is allowed in class. If allowed by the instructor, proper ballet warm-ups may be allowed for the beginning of barre, but must be removed after the first couple exercises or when requested by the instructor. Absolutely no watches or jewelry in class with the exception of small secure earrings.

HAIR

Hair should be pulled back neatly and securely from the face. A slicked back bun is the standard ballet hairstyle; no bangs or wispies. Absolutely no loosely tied hairdos or ponytails. Girls with short hair must also have their hair securely and neatly pulled back from the face .

Be sure younger children have proper buns - please do not send them without a bun expecting someone else to do it. Everyone here either has their own children to attend to or are busy working.
