

THEATER WEEK NOTES

- **Dancers, use Stage Door EAST (Spring St. between 3rd and 2nd) during theatre week . Please check your name on the check-in sheet at the stage door when you arrive for all rehearsals and performances**
- There is a technique / warm-up class Monday through Wednesday at the studio from 4:00 to 5:20. **All dancers in levels Intermediate 1 (girls on pointe) and up are expected to attend.** Also pre-performance warm-ups.
- **Call** is the time all performers need to be at the theater and check-in.
- **No food or drink is allowed backstage – No Exceptions.** If your child has food in the dressing rooms it will be taken away and discarded.
- **Please, no running or horseplay in the theatre at any time.** This is for your own safety as well as showing concern for all others in the production. Bring small games, homework, or cards to play while you are waiting for your turn to rehearse.
- **Please note: No parents, family members, or friends are allowed backstage or in the dressing rooms before a performance unless you are a volunteer and have a backstage pass or are escorting a younger child (under 8) to their dressing room.** The quarters are just too close and anyone not working is in the way. **Students are not to leave their dressing room until all of their responsibilities are finished. Please support us in this.**
- During Monday's spacing rehearsals students should stay in the house except Int. and up only. We will begin to use dressing rooms for everyone else on Tuesday. There will be no supervision downstairs on Monday.
- **All rehearsals from Tuesday on are Closed Rehearsals** – only Production Staff is allowed in house.
- All **room monitors** must be in the dressing rooms for tech and dress rehearsals
- **Backstage volunteers** need to all be at tech and dress rehearsals
- All tech rehearsal finishing times are approximate depending on rehearsal.
- At the end of every rehearsal and performance students are expected to clean the dressing rooms under the supervision of the room monitors

- **Please be punctual in picking up children and come inside to get them as students will not be allowed to wait for rides outside the theatre.**
- A reminder to not park your car in the Spring St. lot .
- **Each student must bring their costumes and accessories to the costume room at CRYB at the conclusion of the final performance and wait until they are checked in and dismissed by costume staff. Do not send your costume with anyone else.**
- **Cast party** is Friday immediately after the opening night performance (location announced soon). Ticket information for cast party will be available soon. Dancers traditionally dress up for this so don't forget to bring your party clothes if you wish.
